## ENGINEER INTERN

---

Darren started with T-Square in January 2022 after working for the Army Corps of Engineers. From 2017 to 2021, he attended Minnesota State University, worked as a transportation intern, and served as an Engineering Assistant for the 934<sup>th</sup> Air Lift Wing. While working in the public and private sector, he gained experience in drafting engineering plans, land surveying, estimating cost/quantities, and performing engineering calculations. From 2013 to 2017, Darren served in the United States Air Force as a contracting specialist, where he managed dozens of construction and supply contracts for the 341<sup>st</sup> Civil Engineers Squadron.
